

A well-known fiber optic cable manufacturer in the UAE

Overview

Fahad Cables | UAE Network & Fiber Optic Cable Manufacturer Fahad Cables is a UAE cable manufacturer specializing in network, fiber optic, control, instrume.

Key Takeaways

The UAE hosts several leading fiber optic cable manufacturers, including Arabian Fiber Optic Cable (AFOC), HELUKABEL, Cables House, Optronics Plus, and USTech, offering advanced solutions for telecommunications and data networking. Key Manufacturers

1. Arabian Fiber Optic Cable Manufacturing LLC (AFOC) AFOC is a UAE-based manufacturer delivering high-quality fiber optic cables for telecommunications, data networking, and large-scale infrastructure projects. Their products include 900µm tight buffered fibers, armored fiber optic cables, and ADSS cables suitable for medium to long-span applications. The company emphasizes advanced technology, strict quality standards, and R&D capabilities, with a plant in Umm al-Quwain and headquarters in Abu Dhabi . 2. HELUKABEL Headquartered in Dubai, HELUKABEL is a global cable provider with a strong presence in the UAE. They manufacture fiber optic cables, coaxial cables, and video cables, and offer over 33,000 product items. HELUKABEL maintains ISO9001 certification and ensures all cables meet international quality standards . 3. Cables House Based in Dubai, Cables House has been serving the UAE since 2006. They provide single-mode and multi-mode fiber optic cables (OS2, OM3, OM4), along with fiber optic accessories like pigtails, patch cords, and splicing equipment. They also offer structured cabling solutions including Cat6, Cat6a, and Cat7 . 4. Optronics Plus Optronics Plus specializes in fiber optic cables and related accessories, supporting high-speed data transmission. Their offerings include OS2, OM3, OM4 cables, fiber connectors, adapters, patch panels, and networking equipment such as switches and cabinets . 5. USTech USTech provides advanced telecommunication products with a focus on fiber optic technology. They serve both local and international markets, offering solutions for data centers, FTTH projects, and industrial applications . 6. Other Notable Manufacturers and Suppliers

- Norden, GEC, DME ProLink, Naficon, Superior Technologies, Gcabling Electronic – These companies provide a range of fiber optic cables and accessories, catering to both commercial and industrial applications in the UAE .

- FOSS, Virtual Cloud Information Technology LLC, Future Link Communications LLC, FibrePros, ADMC – These firms offer fiber optic network design, installation, and maintenance services, along with specialized products for long-haul and structured cabling projects .

Summary

The UAE's fiber optic industry is supported by a mix of local manufacturers and international suppliers, providing a wide range of products from standard single-mode and multi-mode cables to armored and ADSS cables. These companies cater to telecommunications, data centers, industrial networks, and large-scale infrastructure projects, ensuring high-quality, reliable, and future-ready fiber optic solutions across the region .
