

Cable trays available for sale in the Netherlands

Overview

Tray The Tray is a "Light Duty" cable duct and available in various designs, including as a NATO tray.

Key Takeaways

You can find cable trays in the Netherlands through specialized suppliers such as CC Nederland B.V., Staalbouw Dijkstra, RS Components, and the Niedax Group. Key Suppliers

CC Nederland B.V. offers high-quality stainless steel cable trays (AISI 304) with excellent corrosion resistance. They provide a wide range of sizes, from 25 mm to 600 mm in width and 25 mm to 125 mm in height, with lengths of 3000 mm. Custom dimensions are available, and their trays feature a rounded design for cable protection and easy installation. Staalbouw Dijkstra produces and delivers cable trays in various materials including aluminum, stainless steel (RVS), Sigmaweld, and steel. They offer fast delivery across the Netherlands and can provide custom solutions to fit specific project requirements. RS Components supplies a broad range of cable management systems, including ladder, wire mesh, trough, basket, and single rail cable trays. Their products are suitable for commercial, industrial, and residential applications, supporting power, data, and communication cables. RS Components also provides online ordering and delivery options. Niedax Group specializes in steel, aluminum, PVC, and GRP cable management systems, offering full technical support, planning, and installation services. They operate in the Netherlands through Gouda Holland B.V. and provide solutions for ceilings, walls, and floors, including large-scale industrial projects.

Considerations When Choosing Cable Trays

- **Material:** Stainless steel for corrosion resistance, aluminum for lightweight applications, or GRP for chemical resistance.
- **Type:** Ladder, wire mesh, trough, basket, or single rail depending on cable type and installation environment.
- **Customization:** Many suppliers offer custom sizes and configurations to fit specific project needs.
- **Delivery and Support:** Check if the supplier provides nationwide delivery and technical assistance for installation. By contacting these suppliers, you can compare options, request quotes, and select the cable trays that best suit your project requirements in the Netherlands.
