

Detailed Quotation for Irish Distribution Box Fabrication

Overview

Product Assembly & Box Build Services in Ireland | CurtronicsWe manage every detail, from final testing and labeling to regulatory compliance checks, guara.

Key Takeaways

A detailed quotation for an Irish distribution box should include design, materials, fabrication, finishing, compliance, and installation costs, tailored to your specifications.Key Components of the Quotation

1. Design and Engineering

- Initial consultation and technical drawings using 2D CAD, SolidWorks, or Tekla for client approval .
- Optional Finite Element Analysis (FEA) for load-bearing or bespoke scenarios .
- Collaboration with BIM platforms if required .

2. Materials

- Mild steel, stainless steel, or aluminum depending on durability and environmental requirements.

3. Fabrication

- Cutting, bending, welding, and assembly using certified workshops with EN 1090 Execution Class 2 or 3 compliance .

- Precision fabrication techniques such as laser cutting for accurate dimensions .
- Skilled labor for assembly, including welding bays and post-processing . 4. Finishing
- Options for priming, powder coating (EN 15773), or hot-dip galvanizing (EN ISO 1461:2009) .
- Surface finishing for aesthetic and corrosion resistance. 5. Compliance and Certification
- CE marking for EU market compliance.
- Factory Production Control systems adhering to ISO 3834-3 and EN 1090-1 .
- Optional NSAI or SCCS certification for British market placement . 6. Installation and Delivery
- On-site installation by trained crews if required.
- Transportation and logistics within Ireland, including all 32 counties . 7. Cost Breakdown
- Labor: hours for design, fabrication, and assembly.
- Materials: per kg or per sheet cost.
- Finishing: coating, galvanizing, or painting.
- Project management: oversight, quality control, and documentation.
- Lead time: estimated production and delivery schedule. 8. Terms and Conditions
- Payment terms (e.g., 50% deposit, balance on delivery).
- Validity period of the quotation (commonly 30 days).

• Warranty and after-sales support.

Recommended Irish Fabricators

- Coughlan Engineering: Full-service metal fabrication, CE certified, capable of complex designs and FEA .
- F&M Whelan Engineering: Execution Class 3 certified, advanced 3D modeling, and high-quality steel finishes .
- Nassau Engineering: Precision sheet metal fabrication, laser cutting, BIM services, and fast turnaround .

- Curtronics: Product assembly and box build solutions for smaller-scale or electronic distribution boxes .

Quotation Preparation Tools

- Use SmoothLedger's free Irish quote generator to create a professional PDF quotation including all services, materials, and labor costs . By including all these elements, your quotation will be comprehensive, compliant, and tailored to client requirements, ensuring clarity and professionalism in the Irish market.
