

Georgia Cable Tray Elbow Supplier

Overview

Shop our collection of cable tray manufacturers and fittings to find exactly what works for your project. Now serving all 50 states!

Key Takeaways

Several suppliers in Georgia provide cable tray elbows and related fittings for industrial, commercial, and data center applications. Key Suppliers in Georgia

1. American Tech Supply / Georgia Cable Tray Located in Georgia, American Tech Supply offers a full range of cable tray systems including ladder trays, wire mesh trays, and raceway systems. They provide compatible fittings such as 90° elbows, T-bends, and adjustable-angle connectors for both metal and plastic trays. Their products support fiber, data, and power cables, and are suitable for data centers, industrial facilities, and hyperscale installations. Contact: team@americanteledata.com or (866) 650-3282 . 2. Graybar Graybar distributes a wide variety of cable tray fittings, including 90° elbows, splice kits, and support brackets. They carry products from brands like Cablofil (Legrand), B-Line (Eaton), and Chatsworth, covering aluminum, steel, and wire mesh trays. Graybar supports commercial and industrial construction projects and offers online ordering for convenience. Contact via their website for local Georgia locations . 3. Atkore / US Tray Atkore's US Tray division manufactures made-to-order cable trays and fittings, including horizontal and vertical 90° elbows in aluminum and steel. Their products meet NEMA standards and UL certifications, suitable for custom installations in commercial and industrial settings. They are located at 560 Wharton Cir SW, Atlanta, GA 30336, phone (404) 696-8585 . 4. EAE USA EAE USA provides cable trays and busway systems for data centers, healthcare, and industrial applications. They offer technical support and custom solutions for cable management, including elbows and other fittings. Their Georgia office is at 2000 Mountain Industrial Blvd, Tucker, GA 30084, phone (770) 696-4803 . 5. MP Husky MP Husky manufactures a variety of cable tray systems including aluminum, galvanized steel, stainless steel, fiberglass, and wire mesh trays. They provide compatible fittings such as elbows, tees, and drop-outs for complex routing needs. Their products are widely used across industries for reliable cable support . 6. Basor Electric Basor offers a comprehensive range of cable trays and ladder systems, including BasorTray, BasorTrav, and BasorFil wire mesh trays. They provide 90° elbows, T-bends, and other fittings for both metal and PVC trays. Basor products are suitable for commercial, industrial, and data center installations . 7. McMaster-Carr McMaster-Carr supplies corrosion-resistant stainless steel formable cable trays and fittings, including elbows, tees, and drop-outs. Their trays can be cut, bent, and connected to accommodate curves, slopes, and custom configurations, ideal for industrial and laboratory applications .

Summary

For cable tray elbows in Georgia, you can choose from suppliers like American Tech Supply, Graybar, Atkore (US Tray), EAE USA, MP Husky, Basor Electric, and McMaster-Carr. These vendors provide a variety of materials, sizes, and fittings suitable for industrial, commercial, and data center projects, with local support and technical assistance available.
