

High-quality distribution box manufacturer in Vietnam

Overview

Distribution Box Suppliers from Vietnam Access 189 verified Distribution Box Suppliers in Vietnam with shipment-level prices, volumes, routes, buyer network.

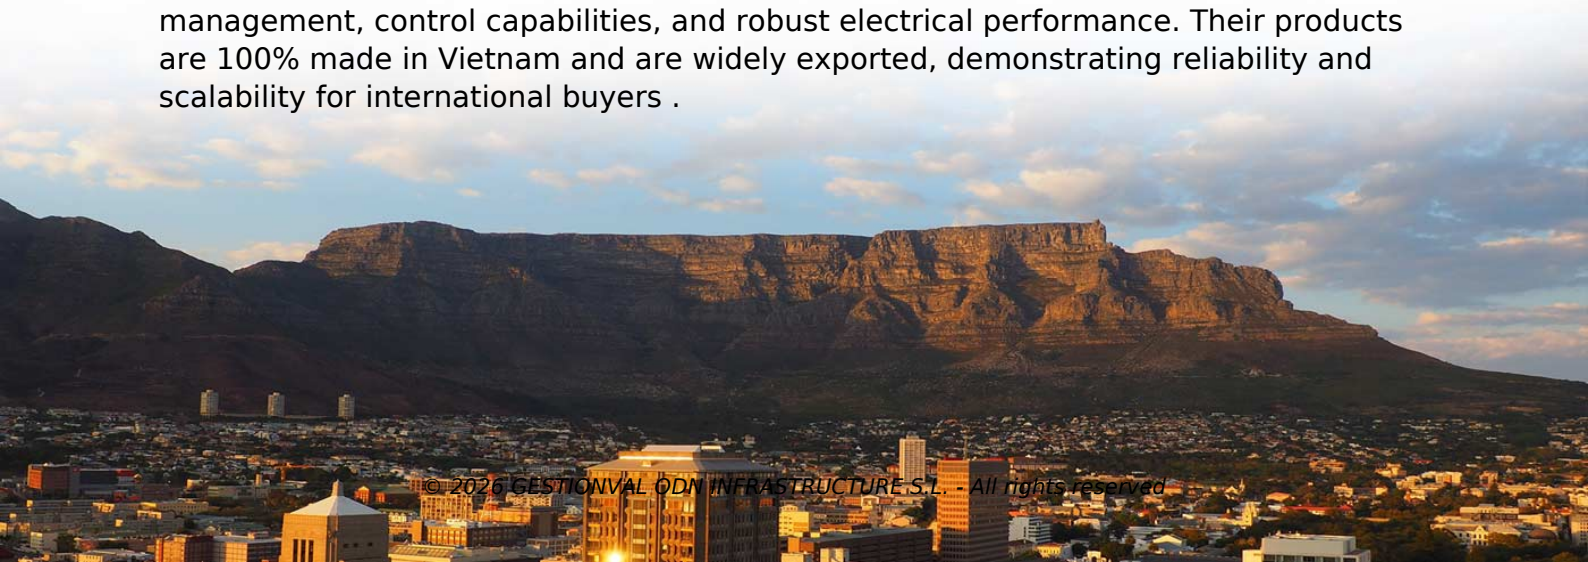

Key Takeaways

Vietnam hosts a robust network of high-quality distribution box suppliers, including IREX, Sheng Shing, and YURA Corporation Vina, offering certified, reliable, and export-ready products.

Leading Suppliers

- IREX (SolarBK Group) IREX specializes in distribution boxes for industrial, civil, and solar power applications. Their products comply with ISO 9001:2015, ISO 14001:2015, and IEC 61439-2:2011 standards, ensuring high quality, safety, and environmental compliance. They manufacture electrical switchgear, control cabinets, and solar water heating system boxes, with certifications from TUV Nord and Vinacontrol CE confirming international standards adherence .

- Sheng Shing (Hai Duong, Vietnam) Sheng Shing produces a range of distribution boxes, including CN-1800S.1 and CN-3600SE.1 models, featuring remote management, control capabilities, and robust electrical performance. Their products are 100% made in Vietnam and are widely exported, demonstrating reliability and scalability for international buyers .

- YURA Corporation Vina Company Ltd. YURA Corporation Vina offers high-quality distribution boxes suitable for industrial and commercial applications. They are recognized for consistent product quality and export readiness, making them a strong candidate for long-term partnerships .

- Lien Thuan Company Limited (Xinhe – Lien Thuan Plastic Industry Machinery) Lien Thuan provides distribution boxes and related electrical equipment. They are a local supplier with experience in trading and supplying distribution boxes across Vietnam .

Key Considerations for Supplier Selection

- Certifications and Standards: Look for ISO 9001, ISO 14001, and IEC compliance to ensure product quality and safety.

- Product Range: Choose suppliers offering models suitable for your application, including industrial, civil, or solar power systems.

- Export Experience: Suppliers with proven international shipping records, like IREX and Sheng Shing, are preferable for reliable delivery.

- Technical Support: Ensure the supplier provides installation guidance, maintenance support, and customization options if needed.

How to Source

Platforms like Volza provide a database of 189 distribution box suppliers in Vietnam, including direct contact information for key decision-makers, shipment volumes, and trade routes, which helps in evaluating supplier reliability and long-term partnership potential . By focusing on certified, experienced, and export-ready suppliers such as IREX, Sheng Shing, and YURA Corporation Vina, you can secure high-quality distribution boxes that meet both domestic and international standards.
