Key Takeaways

Armenian dust distribution boxes typically cost between \$100–\$101 per piece (EXW) or \$0.50–\$1.50 per piece (FOB) depending on order size and shipping terms. Pricing Details

- EXW (Ex Works) Price: \$100–\$101 per piece. This price reflects the cost at the factory, excluding shipping, insurance, and other logistics fees .
- FOB (Free on Board) Price: \$0.50–\$1.50 per piece. This price includes loading onto a shipping vessel at the port of origin, making it suitable for international buyers who handle shipping themselves .

Factors Affecting Cost

- Quantity Ordered: Bulk purchases often reduce the per-unit cost.
- Specifications: Variations in size, material, and explosion-proof features can influence pricing.
- Shipping and Logistics: EXW prices do not include shipping, while FOB prices account for port handling but not final delivery.

- **Supplier Location:** Prices may vary slightly depending on the manufacturer or distributor in Armenia or Europe .
Purchasing Options
- **Wholesale Suppliers:** Verified suppliers on platforms like go4WorldBusiness and Europages offer bulk discounts and direct factory deals .
- **Customization:** Some suppliers provide custom sizes or additional safety features, which may increase the cost. For accurate pricing, it is recommended to contact suppliers directly to confirm current rates, shipping options, and bulk discounts.
