

How much does one meter of armored pigtail cost

Overview

Custom Fiber Optic Pigtails for Sale FS offers custom fiber pigtails in any connector & fiber type with tight buffer, armored and Fiber Optic Pigtail: Type.

Key Takeaways

Armored pigtails typically cost between £2 to £10 per metre, depending on type, fiber count, and supplier.

Armored pigtails are specialized fiber optic cables with protective sheathing, designed for durability in harsh environments . The price per metre varies based on factors such as fiber type (single-mode or multi-mode), number of fibers, and the level of armoring. For example, steel-armored pigtails are more expensive than simple PVC-armored versions.

General Pricing Guidance

- FiberZON supplies armored pigtails worldwide, but prices are usually provided upon request or in bulk orders .
- UK suppliers of armoured cables, such as Electricpoint, Toolstation, and Builder Depot, sell general armoured cables by the metre, with prices typically ranging from £2 to £10 per metre depending on cable size and specifications .

- For exact pricing, it is recommended to contact suppliers directly, as costs fluctuate with fiber count, cable type, and order quantity.

Tips for Purchasing

- Specify the fiber type and core count when requesting a quote.
- Confirm whether the price includes connectors or just the cable.
- Consider bulk orders for cost savings if installing multiple pigtails.
- Check for BASEC or ISO certification to ensure quality and compliance . By contacting suppliers like FiberZON or local electrical distributors, you can obtain a precise per-metre cost tailored to your project requirements.
