Key Takeaways

Leading Indonesian cable manufacturers capable of producing pigtail cables include PT Voksel Electric Tbk, PT SUCACO Tbk, PT Willson Surya Unggul, and LSAG Cable Indonesia. Key Manufacturers

PT Voksel Electric Tbk – Based in Jakarta, PT Voksel is a prominent manufacturer of power, telecommunication, and fiber optic cables. They hold multiple international certifications including ISO 9001:2015, ISO 14001:2015, ISO 45001:2018, and ISO 50001:2018, ensuring high-quality production standards. Their expertise in fiber optic and telecommunication cables makes them suitable for pigtail cable production . PT SUCACO Tbk – Operating for over 50 years, PT SUCACO is one of Indonesia's largest cable manufacturers. They supply power cables, telecommunication cables, and enameled wires, with a strong reputation for reliability and compliance with international standards. Their experience in custom cable solutions can accommodate pigtail cable requirements . PT Willson Surya Unggul – Located in Tangerang, this company specializes in electrical cables, automotive wires, and accessories. They offer a wide range of SNI-certified products and ISO 9001:2015 accreditation, making them a reliable choice for high-quality pigtail cables and custom assemblies . LSAG Cable Indonesia – A joint venture between LS Cable & System (Korea) and PT Artha Metal Sinergi, LSAG produces low-voltage power cables for industrial, building, oil & gas, and renewable energy sectors. Their facilities in Karawang support international standards (IEC, ASTM, BS, DIN, JIS) and local SNI compliance, suitable for specialized cable assemblies including pigtails .

Considerations for Sourcing

- Custom Cable Assembly: Many of these manufacturers provide bespoke solutions, including pigtail cables for fiber optic or electrical applications.
- Certifications: Ensure the manufacturer complies with SNI and relevant international standards for quality and safety.
- Industry Focus: Choose a manufacturer aligned with your application—telecommunication, power, or industrial automation.
- Technical Support: Companies like LSAG and Voksel offer engineering support for design, prototyping, and mass production. These manufacturers represent the most reliable options in Indonesia for sourcing pigtail cables, offering both standard and custom solutions for domestic and international markets.
