

Italian manufacturer of distribution boxes for smart buildings

Overview

Junction boxes and special containers, a complete and coordinated line of distribution boards, cutting-edge industrial connections and an integrated system of boards for special systems create the GEWISS distribution systems. 250 Companies and suppliers for distribution box ✓ Find wholesalers and contact them directly ✓ Leading B2B marketplace ► Find companies now! Established in 1982, Master Divisione Elettrica has fast become one of the leading Italian manufacturers of electrical supplies for residential, commercial and industrial use. Master wishes you a Merry Christmas and a Happy 2026. GEWISS is a key player on the market manufacturing solutions for home & building automation, energy protection and distribution systems, smart lighting and e-mobility. With our smart distribution boxes we offer you the necessary framework for your energy-efficient room automation A scientific study in three rooms with different automation levels was conducted at Biberach University of Applied Sciences during the lecture period. Universal aluminium alloy boxes are available for aggressive atmospheres.
