

Lebanon Optical Cable Pre-embedded Pipe Manufacturer

Overview

Established in 1969, The United Lebanese Plastic Industries (ULPI) is a family owned business. ULPI specialises in the production of UPVC pipes including waste discharge pipes, drainage and sewer pipes, pressure pipes, electrical and telecommunication cable ducts. Haykal Plast manufactures PVC pipes suitable for ducting telecommunication lines, especially for fiber optic installations. Smooth bore with very low friction for cable placement. Excellent shock resistant even at low. Founded to bring enterprise-grade fiber connectivity to Lebanon and the broader Middle East at prices that make sense. We source, test, and deliver optical transceivers and cables that your network can count on, day after day. OptiLink was built on a simple belief: world-class fiber infrastructure. Established in 1983, Tele-Projects has been the sole representative of multinational brands attaining the highest market share in Telecom supply of material in the Lebanese market. We trust on providing CommScope (formerly known as TE Connectivity/KRONE) to all contractors, dealing with OGERO & the. API is a global name in advanced plastic piping systems, proudly rooted in Lebanon and trusted across international markets.
