Key Takeaways

Key cable tray manufacturers in Hungary include Emtron KFT, Brilltech Engineers Pvt. Ltd., and AVIUS.hu, offering a wide range of cable management solutions. Emtron KFT

Emtron KFT is a Hungarian company providing comprehensive solutions for cable and cable tray systems along with electrical appliances. They serve both industrial and personal construction projects and act as a distributor for BAKS trays in Hungary, offering sales and technical support in multiple languages including Hungarian, Korean, and English. Their expertise covers large-scale projects and professional installation support.

Brilltech Engineers Pvt. Ltd.

Brilltech Engineers Pvt. Ltd. is recognized as a leading cable tray manufacturer and supplier in Hungary. They offer a wide variety of products including:

- Galvanized cable trays with corrosion-resistant properties
- Ladder cable trays made from industrial-grade aluminum
- PVC, mild steel, perforated, stainless steel trays

- Raceways and cable bus ducts Brilltech provides customized solutions based on size, material, and project requirements, ensuring compliance with international quality standards. They also supply electrical panels, transformers, and power generators, supporting both domestic and export markets .
AVIUS.hu

AVIUS.hu specializes in GRP (Glass Reinforced Plastic) cable trays, suitable for highly corrosive environments. These trays are metal-free, transparent to electromagnetic waves, and do not require grounding, allowing for large spans and specialized industrial applications .

Summary

Hungary hosts several reputable cable tray manufacturers catering to diverse industrial, commercial, and residential needs. Emtron KFT focuses on comprehensive electrical solutions and distribution, Brilltech Engineers offers a broad range of metal and PVC trays with customization and export capabilities, and AVIUS.hu provides advanced GRP solutions for corrosive environments. These companies collectively cover most cable tray types, materials, and technical support requirements in Hungary.
