

Price list for 48-core fiber optic splice box

Overview

48 Cores Horizontal Fiber Splice Closure GJS-H011Horizontal type fiber splice closure has a flat or cylindrical outer housing to Fiber Optic Splice Enclosure.

Key Takeaways

The price of a 48-core optical fiber splice box ranges from approximately \$6 to \$90 per unit, depending on type, brand, and purchase volume. Retail and Online Pricing

- eBay: 48-core fiber optic splice closure boxes are listed around \$67 plus \$2.50 shipping for new units with 3-in/3-out ports, suitable for underground or aerial installation .
 - Amazon: Compact 48-core overhead splice enclosures are available for around \$50-\$70, featuring reinforced plastic, IP68 protection, and multiple splice layers .
 - Topfiberbox: Vertical dome 48-core closures with 3 cable ports are priced at \$11.80 per unit, with free samples available for testing .
- Wholesale and Factory Pricing
- Alibaba: Offers a wide range of 48-core splice closures, with prices starting as low as \$6-\$20 per unit, depending on type (dome, horizontal, or vertical) and minimum order quantity .
 - Made-in-China (Fibconet): 48-core IP68 waterproof dome closures are priced around \$7-\$8 per unit for bulk orders, with discounts for larger quantities .

- **FiberDistributionBox:** Horizontal FOSC 48-core enclosures are available with negotiable pricing for orders of 100 units or more .

Factors Affecting Price

- **Type of enclosure:** Dome, horizontal, or vertical designs influence cost. Dome types are generally cheaper, while high-end FOSC or terminal boxes with multiple trays and IP68 ratings are more expensive.
- **IP rating and durability:** Outdoor-rated boxes with IP65-IP68 protection, UV resistance, and anti-corrosion materials cost more than indoor-only units.
- **Quantity and MOQ:** Bulk orders significantly reduce per-unit cost, with some suppliers offering prices as low as \$6 per unit for large orders .
- **Additional features:** Number of splice trays, adapter compatibility (SC/APC, SC/UPC, LC), and cable port configurations (1-in/2-out, 2-in/2-out, 3-in/3-out) affect pricing.

Summary

For a single 48-core optical fiber splice box, expect to pay \$6-\$70 depending on type and supplier. For bulk or wholesale purchases, prices can drop to \$6-\$20 per unit. High-end, IP68-rated FOSC or terminal boxes for outdoor FTTH applications may cost \$50-\$90 per unit. Choosing the right model depends on installation environment, required IP rating, and cable management needs .
