

Price of Congo Modular Cable Tray Fasteners

Overview

Price List Cable Tray 2024 - Free download as PDF File (.pdf), Text File (.txt) or view presentation slides online.

Key Takeaways

The price of modular cable tray fasteners in Congo typically ranges from \$2 to \$15 per piece, depending on material, size, and supplier.

Modular cable tray fasteners are essential components used to connect, support, and secure cable trays, ensuring proper alignment and stability in electrical installations . They are commonly made from galvanized steel, stainless steel, aluminum, or fiberglass-reinforced plastic (FRP), which affects both durability and cost .

Price Factors

- **Material:** Stainless steel and FRP fasteners are generally more expensive than galvanized steel due to corrosion resistance and longevity .
- **Size and Type:** Fasteners for larger or specialized cable trays (e.g., ladder or perforated trays) cost more than standard connectors or bolts .
- **Supplier and Quantity:** Bulk orders from manufacturers like Brilltech Engineers or Micro Sheet Crafts in Congo may reduce per-unit cost, while small retail purchases are higher .

- Customization: Custom-designed fasteners for specific tray systems or industrial applications can increase the price significantly .

Typical Price Range

- Standard bolts, nuts, and clamps: \$2-\$5 per piece
- Elbows, tees, and reducers: \$5-\$10 per piece
- Heavy-duty or specialized fasteners: \$10-\$15 per piece

Purchasing Tips

- Contact local suppliers like Brilltech Engineers Pvt. Ltd or Micro Sheet Crafts to request a quotation based on your project specifications .
- Verify the material grade and compliance with industry standards to ensure safety and durability.
- Consider bulk purchasing to reduce costs if installing multiple cable trays. By understanding these factors, you can budget accurately for modular cable tray fasteners in Congo and ensure compatibility with your cable management system.
