

Which company makes the best Slovenian mesh cable trays

Overview

Distributor of cable trays including wire mesh, fiber, straight sectioned, and bendable cable trays.

Key Takeaways

Bevec d.o.o. and Elba d.o.o. are leading Slovenian manufacturers of high-quality mesh and perforated cable trays. Key Manufacturers

Bevec d.o.o. specializes in cable trays for industrial, transport, and electrical installations. They manufacture trays ranging from 50 to 600 mm in width and 50 to 60 mm in height, with options in galvanized, hot-dip galvanized, stainless steel, or powder-coated finishes. Their product line includes a wide variety of bends, couplers, and accessories, making installation flexible for complex layouts. Elba d.o.o. is a prominent Slovenian manufacturer and distributor of electrical installation products, including wire mesh cable trays. They use advanced machinery such as TRUMPF laser machines and computer-guided bending equipment to produce precise, durable trays from stainless steel, brass, or aluminum. Elba also offers powder coating and custom fabrication services. Other suppliers in Slovenia include Jeetmull Jaichandlall (P) Ltd., which provides wire mesh cable trays in various sizes, shapes, and colors, emphasizing high-quality finishing and adherence to industry standards. Brilltech Engineers and Cable House also supply perforated and mesh cable trays, offering materials like galvanized steel, stainless steel, and fiberglass, along with installation support and system design consultation.

Considerations for Selection

- **Material:** Choose between galvanized steel, stainless steel, aluminum, or powder-coated finishes depending on environmental exposure and durability requirements.
- **Customization:** Many Slovenian manufacturers offer custom sizes, bends, and accessories to fit specific project layouts.
- **Compliance:** Ensure the trays meet local and international safety and electrical standards.
- **Support Services:** Some manufacturers provide installation guidance, design consultation, and on-site support. These manufacturers provide a comprehensive range of mesh and perforated cable trays suitable for industrial, commercial, and infrastructure applications in Slovenia.
